Zone A	Zone B	Zone C
£1.50 /mo	£3.00 /mo	£6.00 /mo

Additionally, channels will be required to receive calls. Global Numbering channel pricing varies depending on your Simwood account type. Channels are shared between all your Global Numbers, irrespective of the number's zone.

	Per Channel
Start-Up	GBP 12.00 /mo
Virtual Interconnect	GBP 9.10 /mo
Managed Interconnect	GBP 5.00 /mo

Channel Utilisation

All US and UK numbering uses your standard Simwood channel allocation.

You must also have available Global Numbering channels to receive calls on Global Numbers (non US/UK). Channels can be purchased at the rates shown in the pricing schedule above, and are shared across all your Global Numbers.

For the avoidance of any doubt, one channel = one simultaneous call in any state (ringing or connected) so if you wish to support "call waiting" type services you will require two available channels.

Outbound calls use your standard Simwood channel allocation as always, and do not consume Global Numbering channels.

Local Requirements

Certain jurisdictions may require additional proof of entitlement for numbers, e.g. proof of residency. Any such requirements will be communicated to you and should be passed to the end user.

We will endeavour to advise customers of relevant changes within the jurisdiction of other countries insofar as it is relevant to your use of numbering there but customers are reminded it is their responsibility to ensure that their use of numbering complies with any local regulations or legislation.

Ordering

Global Numbering is not yet, as of August 2019, available via the Simwood API or portal but can be ordered by contacting **team@simwood.com** - thereafter any Global Numbers will appear in the API and Portal like any of your existing numbers and can be managed identically and take advantage of the same functionality.

Miscellaneous Charges

Number Portability

Numbers that have been removed from an account are held in quarantine. At Simwood's discretion, these may be brought back into service if requested within 5 Business Days from the day of removal. Charge: £25
